Led by a pair of Visually Impaired Gold Medals, Team Spain rose to the top of Para Surfing to earn their historic first-ever Team Gold Medal at the 2020 AmpSurf ISA World Para Surfing Championship.

Spain's Aitor Francesena earned his second Gold Medal in the event's history in Men's Visually Impaired 1, while teammate Carmen Garcia earned her first Title in Women's Visually Impaired 1. The dual Gold Medals coupled with six other podium finishes propelled Spain to the pole position, their first Team Medal since the event's inception in 2015.
