Team USA earned the ISA Aloha Cup Gold Medal in dramatic fashion on Sunday at the **2018 VISSLA ISA World Junior Surfing Championship** presented by Visit Huntington Beach.

Team France earned the Silver, Japan the Bronze and Hawaii the Copper.

Fresh off winning the first Gold Medals of the event, USA will look to carry their momentum into the final day of competition and maintain their lead atop the team rankings, aiming to earn back-to-back Team Gold Medals. A win for USA would be their third in four years.

Japan closely trails USA by 245 points, setting the stage for a showdown to decide the Team Gold Medal on the final day of competition at Huntington Beach Pier.
