Four World Champions were crowned on the third day of competition at the **2016 Fiji ISA World SUP and Paddleboard Championship**, as the Finals of the SUP and Paddleboard Technical Races ran in the pristine waters of Fiji's world-renowned outer reef, Cloudbreak.

ISA Vice President and representative of Team Denmark, **Casper Steinfath**, earned a historic third Gold Medal in the history of the SUP Technical Race, making an incredible come-from-behind push on the last leg of the race to emerge victorious.

Australia earned two Gold Medals, with **Harriet Brown** and **Matt Poole** winning the Women's and Men's Paddleboard Technical Races, respectively, and New Zealand's **Penelope Armstrong** won the Women's SUP Technical Race.
