- 0:52 - Reubyn Ash (ENG)

0:57 – 1:31 – INTERVIEW – Joackim Guichard (NOR)

The opening round of the Men's Main Event topped off the third day of competition at Grande Plage. 18 heats ran in the afternoon with a stiff onshore breeze that made the minimal swell even more difficult to manage.

Portugal's Pedro Henrique was not phased by the smaller waves and turned out to be the standout performer of the Men's Division, landing multiple radical maneuvers to earn the highest heat total of 16.17.
